Subject: Invitation as Editorial Board Member of SDDF Research and Publications.

Dear Respected Sir

It is my humble submission that Sustainable Disadvantaged Development Foundation - SDDF is a non-profit and volunteer research and development organisation that works for disadvantaged men, women, children, youth, the disabled, and elderly as well as indigenous and Dalit people. SDDF always promises to ensure peace, prosperity, productivity and fraternity for the world, planet and future generations, which are ethical, humanitarian and sustainable from a social, economic and environmental perspective. We started our beautiful journey in December 2018. SDDF has been registered under the Joint Stock Companies and Firms under the Societies registration act- 1860. We would like to have you as an honourable Editorial Board Member for research and publication of SDDF. Hope you don't disappoint us.

National and international conferences will be held on your advice in the coming days.

Looking forward to your positive response.

Regards

Md. Atikur Rahman  
Chairman, SDDF

Md. Hasan Ali  
Director Office of Research and
